## A Letter from the Pastor

Alamo Heights Church Family I am so excited about how the Lord is moving in our church. Last month we saw four people come for baptism. May we continue to pray for the Lord to move in our church in this way.

I want to encourage you continue to look for opportunities to share the gospel, invite people to church and love your community. God is on the move!

*Rev. Titus Terrebonne*

*Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.”-Matthew 28:19-20*

## FEEDING THE FOOTBALL TEAM

In August we had the wonderful opportunity to serve our local community through serving dinner to the Sandcrabs Football Team! These young men received a delicious spaghetti dinner and were so friendly and fun to spend time with. Our church did an amazing job serving them and we are looking forward to future ways we can minister to this team and others at Calhoun High School

## FRIENDS/FAMILY FUN DAY

As the school year kicked off AHBC had a fun time outdoors, fellowshiping, having fun watching kids play in the water and transitioning from Summer to the Fall and Back-to-School season.

From corn hole to Mrs. Candy and Mrs. Lesa going down the water slide it was a great evening of community. Thank you to all who helped cook and prepare for the day.

## UPCOMING EVENTS

- "DEATH TO LIFE" BIBLE STUDY  
09/06 & 09/13
- SEE YOU AT THE POLE 09/28

Hey Church Family!

The school year has come back around again and we are in full swing here in the Youth group! We've got a great group of students this year and I am looking forward to sharing the Word of God with them each week!

I have a special request to get our church family involved with the youth. We are starting Adopt a Student. My heart behind this is for our youth students to be loved on by the church members. You are not required to buy them anything unless you feel led. What I do want is for you to pray over your student this entire school year and stop by our youth room on Wednesday nights and talk with your student from time to time. I'll have information sheets with the student's name and birthday and favorite things to give to you when you decide to "adopt" one of our students.

## Packing Party- Nov. 16th 2 Months 15 Days

Operation Christmas Child is celebrating 30 years of God's faithfulness. Since 1993, over 200 million boys and girls have been excited to receive gift-filled shoeboxes and discover how much God loves them. Let's join Samaritan's Purse in praising the Lord for all He has done through three decades of Good News and Great Joy.

How awesome it is for our church to play a part in this mission effort to reach people for Jesus. Just one box filled with little gifts can affect where that child will spend eternity and not just the child who receives the box, but their family and friends too. It is a simple tool, with such a powerful outcome. Thank you for being a part of adding to the Kingdom of God One Shoebox At A Time.

Let's us begin to prepare our hearts and minds to be ready to watch all the ways that the Lord will be moving, not only on that day, but before and after too. The praying needs to begin now for all of us at AHBC and for all the women that God sends our way. Hope to see all of you at the meeting.
